RFP# TE-1-10 Question Response Set #1

#	Page	Section	Section Description	Vendor Question	WVPEDTA Response
1.	8	1.15	RFP Addenda	Form F: Vendor Inquiry is not available in the RFP. Instead Form F is Vendor Registration and Disclosure Statement. Please confirm that emailing questions to your address is acceptable.	Vendor Inquiry Form is provided in Addendum #1 and does not replace Form F in the original RFP, it is provided in addition.
2.	17	4.3	Proposal Page Limit	Section 4.3 specifies that the page limit is 100 pages and Section 4.2 specifies that the proposal must be printed double-sided. Does a double-sided allow for 200 pages of text on 100 sheets of paper? Please clarify how many pages of text are allowed.	Page limit is 100 pages of text which would equate to 50 physical pages of paper with double sided text.
3.	18	4.3	Proposal Page Limit	The Conformance Matrix is published in a font size 8 and type different than what is required in Section 4.2. When the conformance matrix is converted to comply with RFP requirements, it is in excess of 18 pages without vendor comments. We respectfully request the Authority remove the conformance matrix from the page limitations.	Addendum #1 removes the Conformance Matrix from the 100 page limit. However, page limits have been added for the Conformance Matrix submission in Addendum #1.
4.	18	4.3	Proposal Page Limit	A complete Glossary of Terms and Abbreviations may be longer than 2 pages to cover all acronyms used by both the authority and customer. We respectfully request that this section be removed from the page limitation table	Glossary will continue to be part of the page limit.

5.	18	4.3	Proposal Page Limit	We respectfully request resumes be excluded from the page count.	Resumes have been removed from the 100 page limit as indicated in Addendum #1, however page limits have been added for the individual resume submissions.
6.			Form G	Could the Authority please include pricing tables in excel format?	Updated pricing sheets in Addendum #1, including the sheets in Excel format.
7.				Will WVPEDTA respond to questions as they are asked or will all responses be held until Jan. 29th?	Responses may be released sooner, but WVPEDTA reserves the right to hold responses until the stated deadline.
8.			General	Are there any conduits to be installed above or underground? What is the approx. length, size and type?	The extent of any civil work required for installation of the proposed toll system will be a function of the proposer's solution. The amount of conduit work is therefore not specified in the RFP.
9.			General	Is there any jacking and boring or directional boring associated with the installation of pipes? What is the approx. length of the bore?	The extent of any civil work required for installation of the proposed toll system will be a function of the proposer's solution. The amount of conduit work is therefore not specified in the RFP.
10.			General	What is the approx. cost estimate for the whole project?	A formal cost estimate has not been released.
